

Baja Bible Experience Week Registration

The Baja Bible Experience week is designed as a spring break retreat for students, families, and pastors interested in missions and/or who are interested in previewing our program in Tijuana. It will be a challenging and encouraging week which will involve:

- Daily Bible teaching from Eddie Passmore, director of Caravan Ministries, Tijuana
- Group worship times
- A family-friendly, one-day work project in the city with Caravan Ministries
- Time to see the sites of Tijuana or visit the Pacific beaches
- REAL Mexican food
- Mexican culture discussions with Dave Burdette, long-time missionary in Mexico.
- Authentic fellowship

Participants are lodged in our newly built dorm building overlooking the city with views to the ocean and into the hills of California. Teaching and group times will take place in the Great Room of our remodeled colonial-style "Castillo" building. Our staff members speak Spanish, know the city, and will be facilitating the outings and meals that take place off-campus.
